Request to Modify Conditioned Grant  
File No. BALH-940921GK

Dear Licensee:

This letter concerns your request, dated July 20, 1995, for special temporary authority to permit FM Station KRBG to remain silent.

KRBG has been silent since April 30, 1991. Our records reveal that you consummated your purchase of the station on February 16, 1995, but that you apparently have not complied with the condition placed upon the grant of the application for assignment of the station's license that you resume broadcast operations pursuant to Section 73.1740(a)(1) of the Commission's Rules within sixty days of consummation. Your request states that this delay is the result of the health problems suffered by the licensee's sole shareholder, and that you anticipate that the station will return to operational status October 1, 1995.

Accordingly, the condition placed upon the Commission's December 20, 1994 grant of the referenced application is modified to require resumption of broadcast operations by October 1, 1995.

RE: Request for Special Temporary Authority to Allow FM  
Station KRBG to Remain Silent.

Dear Mr. Greisman:

This letter is being written in response to the Commission's letter of July 17, 1995. AJI Broadcasting, Inc., licensee of FM Station KRBG at Canadian, Texas, requests Special Temporary Authority to allow the station to remain silent while the authorized facility upgrade is being completed. The applicant has pending before the Commission a request for an extension of time to construct the facility upgrade. (FCC File No. BMPH-950420JA). A copy of the Form 307 application seeking the extension is attached to this letter. In short, the extension was requested due to health problems of the sole shareholder of the licensee. This health problem delayed the final construction phase of the facility upgrade. In turn, the delays in construction have kept the station off the air, necessitating the need for this request for Special Temporary Authority.

If additional information is needed relating to this matter, please do not hesitate to contact the undersigned.

Sincerely,

NOTICE TO ASSIGNEE:

Enclosed is FCC Form 732 notifying you of Commission consent to the assignment of the construct permit and/or license of the station(s) therein described. Voluntary assignments are required to be completed within sixty (60) days of the date granted.

In addition to the filing of the below mentioned FCC Form 323, you are required to immediately notify this office (1880B3), by letter, as to the exact date of the consummation; that is, the date on which the acts necessary to effect the assignment was completed.

Within thirty (30) days after the consummation of the assignment it will be necessary for you submit an Ownership Report (FCC Form 323) reporting all changes as required by Section 73.3615 of the Rules. Where applicable, a separate Ownership Report should also be completed and submitted for any holding company (25% or greater ownership interest) of the licensee/permittee. Contractual information required by Section 73.3613 should be reported for the assignee in Item 6, page one of the Ownership Report and copies of each instrument should be submitted with the report. If this is an involuntary assignment that was the result of a death or court action, an Ownership Report must be filed to determine that all requirement of the Rules have been met and reported.

In the event the assignee is the licensee/permittee of another station and has current Ownership Report of file, you may complete and file only page one of FCC Form 323 to reflect the acquisition of the station(s) listed above. FCC Form 323 is enclosed for filing convenience. Instructions for completing the report are on the reverse side.

# A M E N D M E N T

Carolina Communications, licensee of FM Station KRBG at Canadian, Texas hereby amends its application seeking the assignment of the station license to AJI Broadcasting, Inc. (BALH-940921GK). This amendment is being submitted after a request from the Commission Staff to provide additional information needed to process the grant of this application.

AJI Broadcasting, Inc. will immediately put KRBG(FM) back on the air after it constructs the upgrade in facilities to Class C1. The majority of the equipment is on hand to upgrade the station to Class C1 on FM Channel 235. The station is presently authorized to operate with Class A facilities on FM Channel 276. The assignee estimates that it will take no more than sixty days from the consummation of the license assignment to institute KRBG(FM)'s operation with Class C1 facilities.

The station will move its studio facilities to a point near Pampa, Texas. The station's studios have been located in downtown Canadian, Texas since the station began broadcasting. This move will require the rewiring of the station's studios at the new location. An existing tower is located at the geographic coordinates outlined in the outstanding construction permit for Class C1 facilities.

WHEREFORE, the above being considered, it is respectfully requested that the pending application seeking an assignment of license to AJI Broadcasting, Inc. be amended to reflect the above information.

A M E N D M E N T

I, William J. Pennington, III, general partner in Carolina Communications, proposed Assignor of FM Broadcast Station KRBG at Canadian, Texas, hereby seeks to amend the pending application (BALH-940921GK) in order to submit additional information requested by the Commission Staff.

C E R T I F I C A T I O N

I, WILLIAM J. PENNINGTON, III, general partner in the proposed Assignor, hereby certifies that the information contained in the attached amendment is true, complete and correct to the best of my knowledge and belief and is submitted in good faith.
